Jersey Cash 5 Winner Round-Up

TRENTON (Aug. 2, 2017) – Olga Rotonda of Pine Brook and her husband play Jersey Cash 5 and Pick 4 every day. On their way to dinner, Olga stopped into Krauszer's Food Store on 134 North Beverwyck Road in Lake Hiawatha to pick up some Lottery tickets. One Jersey Cash 5 Quick Pick ticket was all it took to hit the December 30, 2016 \$693,752 jackpot. All throughout the week, her retailer kept telling his customers to check their tickets, knowing that someone had purchased a winning ticket from his store, but Olga and her husband stayed quiet. They held onto that ticket for months before claiming the prize. Eventually, they came to Lottery HQ to validate their ticket.

Gladys C. of Flemington plays Lottery often. She typically buys a few Pick-4 tickets, using a play slip, and then writes a note on the back to the clerk that she wants three Quick Pick Jersey Cash 5 tickets with XTRA. On the day that she purchased her winning ticket, she almost missed out because the retailer didn't see the note on the back of the slip. She quickly corrected the mistake and made sure she purchased her daily tickets for the Feb. 26, 2017 drawing.

Gladys checked online for the numbers after the drawing and was shocked to see that she had won. She asked her son to check the numbers as well to make sure she was reading the numbers correctly. After briefly misplacing and recovering her ticket, she put it in a safe hiding place overnight and arrived at Lottery HQ first thing the next morning. Gladys said that she will save most of it for general expenses and retirement. Her lucky retailer is Krauszer's Food Store, 203 Main Street in Flemington.
