An Independence Day Surprise

"Financial Fireworks" Spectacle for Jersey City Family

TRENTON (Aug. 29, 2018) – With Labor Day around the corner, signaling the end of Summer, New Jersey Lottery would like to celebrate a winner from this summer's Fourth of July Jersey Cash 5 drawing. Constante Bautista of Jersey City doesn't play Lottery games too frequently, but still managed to find the right ticket at the right time. On July 4th, after enjoying the wonderful holiday weather with his wife, Constante decided to pick up a Jersey Cash 5 ticket for that evening's drawing. With a single-line, \$1 hand-selected-numbers ticket, Constante and his wife got in the game and hoped for the best.

That weekend, Constante remembered to check his ticket after playing a game of pick-up basketball with his friends. When he checked the numbers at home, his eyes lit up as he saw all five numbers match the numbers drawn. It was especially important to Constante as the numbers personal important numbers, dates, and ages for him and his family. Those very numbers had just earned Constante a \$361,522 Jersey Cash 5 jackpot prize!

When asked if he had any plans for his holiday prize money, Constante mentioned they may get a new car, and the rest will be used for financial security for Constante, his wife, and the rest of their family. The winning numbers from the July 4th Jersey Cash 5 drawing were 03, 11, 18, 30, and 35. His lucky ticket was purchased at Journal Square Convenience, 46 Journal Square, Jersey City, in Hudson County.
