Powerball Jackpot Soars to \$430,000,000

“Congratulations to all of the lottery players who purchased winning tickets and to the retailers that sold them,” said Carey. “I’d like to remind players to purchase their Powerball tickets with a winning attitude and add Power Play to the ticket purchase. Power Play doubles the second prize from one million dollars to two million dollars and multiplies all of the seven lower prize sets available in the game by the number drawn that evening. The jackpot prize is not multiplied.”
