

New Jersey Lottery Rules & Drawing Procedures

Yearlong Collect 'N Win Promotion

Effective July 1, 2021

- NAME:** New Jersey Lottery (“Lottery”) Yearlong Collect ‘N Win Promotion
- OVERVIEW:** The Promotion offers Participants a second chance to win up to \$5,000 in monthly prizes by entering Eligible Draw Game Tickets. Participants enter the Promotion by downloading the Lottery app or the Collect ‘N Win app or by registering for a Lottery VIP Club account. For every \$1 or more spent on an Eligible Draw Game Ticket that is scanned or entered into the Promotion, the Collect ‘N Win system randomly generates one (1) of six (6) symbols and places the symbol in the first available game card in the registered Participant’s NJCollectNWin account. In order to generate a Drawing Entry, a registered Participant must complete the six (6) symbol card. Once the card is completed, a Drawing Entry is automatically generated for the registered Participant and submitted into the Promotion for the applicable Drawing set forth in the 2021-2022 Draw Schedule and Prizes (“Draw Schedule”) in Section II of these Official Game Rules. The card will then reset to allow more symbols to be generated on that cleared card so that the registered Participant may continue to collect symbols toward the next Drawing Entry.
- There will be twelve (12) monthly drawings during the Promotional Period, which will take place in accordance with the Draw Schedule set forth in Section II of these Official Game Rules. Each monthly drawing will select one (1) \$5,000 prize, ten (ten) \$500 prizes, and three-hundred (300) \$100 prizes.

In order to generate a Drawing Entry, a Participant must complete a six (6) symbol card. A participant completes a game card with approximately every thirteen (13) symbols earned. Once the game card is completed, a Drawing Entry is automatically generated for the Participant and

submitted for the applicable Drawing set forth in the Drawing Schedule in Section II of these Official Game Rules.

2. Symbols will be captured two (2) ways:
 - a. Through the Collect 'N Win promotional app by scanning the barcode or manually entering the barcode number of any Eligible Draw Games Ticket; or
 - b. Manually by a Participant entering the barcode number of any Eligible Draw Games Ticket via a web interface. The Collect 'N Win website (NJCollectandWin.com) can be accessed via the Lottery's website at NJLottery.com.
3. Each Eligible Draw Games Ticket is verified at time of symbol generation to ensure it is eligible for the Promotion in accordance with the requirements of these Official Game Rules.
4. Once a Drawing Entry has been created, it will be given a unique sequential number and stored in a secured electronic file until the applicable End Submission Date noted in the Drawing Schedule in Section II of these Official Rules.
5. It is recommended but NOT required that Participants save their physical Eligible Draw Game Tickets if needed to submit as verification once they are entered online or via the Lottery or Collect 'N Win app.
6. Participants will be limited to 50 Eligible Draw Game Ticket Entries per 24-hour period during the Promotional Period.
