Each potential winner shall be sent up to three (3) emails with prize claim instructions at the email address on file with the New Jersey Lottery VIP Club. Because emails are sometimes not deliverable for reasons beyond the control of the New Jersey Lottery, Northstar New Jersey Lottery Group, LLC, and its/their administrators, each entrant should always check the WINNERS page on the New Jersey Lottery website after a Second Chance Drawing to determine whether an entry has been selected as a prize winner. It may take up to seven (7) days for the winners list to be posted on the website. Each Winner's name and town of residence shall be posted on the New Jersey Lottery website following the validation of the winners.

Disqualification, forfeiture and the selection of an alternate potential winner may result from any of the following: (a) the potential winner's failure to respond to any notification by the Lottery or its designee within the specified response period; (b) the return of an email notification as undeliverable after three (3) attempts by the Lottery or its designee; (c) the return of any other notice as undeliverable; (d) the potential winner's failure to provide satisfactory proof of age, identity and residency; (e) the potential winner's failure to execute and return any document(s) required by the New Jersey Lottery or its designee within the specified return period; (f) the potential winner's failure to be available to receive the prize; (g) the potential winner's failure to validly claim the prize by the date specified in the prize award notification; or (h) any other non-compliance with any law, regulation, or rule, including these Official Rules, the Terms of Use or the Privacy Policy. In the event of a potential winner's disqualification or forfeiture of the prize, the Lottery may, in its sole discretion, award or not award the forfeited prize to an alternate winner. In the event the Lottery decides, in its sole discretion, to award a prize to an alternate winner, the alternate winner will be awarded a prize in the order of his or her selection for the prize category (Grand Prize, Second Prize, or Third Prize) of his or her selection. In the event of a dispute as to the identity of the winner based on an email address, the winning entry shall be the Authorized Account Holder of the email address submitted at time of entry. "Authorized Account Holder" is defined as the natural person who is assigned to an email address by an Internet access provider, on-line service provider or other organization (e.g., business, educational institution, etc.) that is responsible for assigning email addresses for the domain associated with the submitted email address.

Neither the New Jersey Lottery or Northstar New Jersey Lottery Group, LLC shall have any liability for a potential winner's or potential alternate winner's failure to receive a prize award notification caused by, among other things, the potential winner's or potential alternate winner's spam, junk e-mail or other security settings or for a potential winner's or potential alternate winner's provision of incorrect, non-functioning or out of date contact information.
